

Vaccinations for 12-15 year olds

As an alternative to the school based programme, parents can now book a Covid-19 vaccination at a large centre for their 12-15 year old children. This can be done online or through calling 119. Walk in appointments are also available.

Parents and guardians are advised to attend vaccination sites with their children, and consent will be sought on the day.

The current sites available for booking are:

- Hemel Hempstead, Hospital, HP2 4AD
- Letchworth Garden City, former Argos store, SG6 3DP
- Stevenage, Robertson House, SG1 2FQ
- Watford, Town hall, WD17 3EX
- Harlow, LeisureZone, CM20 3DT

This route to vaccination will run until at least 12th December. Check online to see the latest updates.
